<p><b>National-Level Scientific and Research Institution</b></p>	<p>Research Center for the History of World Civilization (Base of Humanities and Social Sciences of the Ministry of Education)</p> <p>Institute for Basic Education Research in Rural Areas (Base of Humanities and Social Sciences of the Ministry of Education)</p> <p>College Counselors' Training &amp; Research Base of the Ministry of Education</p> <p>Women Research Center (Women/Gender Research and Training Base under ACWF)</p> <p>National Research Center of NENU or Continuing Education of Primary and Secondary School Teachers</p> <p>National Research Center for Basic Education</p>
<p><b>Major Research Base of Humanities and Social Sciences in Jilin Province</b></p>	<p>Research Center for Ideological and Political Education</p> <p>Research Center for Civilization of East Asia</p> <p>Collaborative Innovation Center for Teacher Education</p> <p>Research Center for Reform of Teaching Methods of Ideological and Political Courses</p> <p>Research Center for Basic Foreign Language Education in China</p> <p>Research Center for Modernization of Local Governance in China</p> <p>Research Center for Aesthetic education in Chinese Schools</p> <p>Research Base for "Puppet Manchurian State" History &amp; Culture in Jilin Province</p> <p>Research Center for Traditional Culture and Contemporary Philosophy of China</p> <p>Research Center for World Literature and Comparative Literature</p> <p>Research Center for Urbanization and Regional Development</p> <p>Research Base for Quality Monitoring of Arts Education in School</p> <p>Research Base for Art and Culture of Jiqu Opera</p>
<p><b>Collaborative Innovation Center for Great Demand in Jilin Province</b></p>	<p>Collaborative Innovation Center for Great Demand of Educational Development in China's Rural Areas</p> <p>Collaborative Innovation Center for Great Demand of Innovation and Enterprise Education</p> <p>Collaborative Innovation Center for Great Demand of Education Informationization</p> <p>Collaborative Innovation Center for Cultural Creativity Industry (Cultivation)</p> <p>Collaborative Innovation Center for Music and Dancing Art in Changbai Mountains Area (Cultivation)</p>
<p><b>New Thinking Tanks in Higher Educational Institutions with Jilin Characteristics</b></p>	<p>Research Center for Ideological and Political Education</p> <p>Research Center for Modernization of Local Governance in China</p> <p>Research Center for Ideological and Political Education and Research Center for Core Values of Socialism (Cultivation)</p> <p>Research Center for Public Diplomacy of Sports in China (Cultivation)</p>

## NENU Scientific Research Institutions above Provincial-Ministerial Level (Sciences)

<b>National Engineering Laboratory</b>	National Engineering Laboratory of Pharmaceutical Proteins & Genes Screening
<b>National &amp; Local Joint Engineering Laboratory</b>	National & Local Joint Engineering Laboratory of Power Battery
<b>Provincial &amp; Ministerial Joint Key Laboratory (Cultivation)</b>	Jilin Key Laboratory of Ecological Restoration & Ecological System Management
<b>Key Laboratory of Ministry of Environmental Protection</b>	Key Laboratory of Wetland Ecology & Vegetation Restoration
<b>Key Laboratory of the Ministry of Education</b>	Key Laboratory of Vegetation Ecology Key Laboratory of Polyoxometalates Science Key Laboratory of Applied Statistics Key Laboratory of Molecule Epigenetics Key Laboratory of UV Light Emitting Materials and Technology
<b>Engineering Research Center of the Ministry of Education</b>	Research Center of Agriculture & Medicine Genetic Engineering Engineering Research Center for Digital Learning Supporting Technology
<b>Key Laboratory of Jilin Province</b>	Jilin Key Laboratory of Organic Functional Molecule Design & Synthesis Jilin Key Laboratory of Animal Resources Protection & Utilization Jilin Key Laboratory of Natural Medicine Chemistry & Biology of Changbai Mountains Jilin Key Laboratory of Advanced Energy Development & Innovative Application Jilin Key Laboratory of Neural Plasticity (under construction) Jilin Key Laboratory of Colloidal Chemistry & Separation Technology (under construction)
<b>Science and Technology Innovation Center of Jilin Province</b>	Jilin Science & Technology Innovation Center for Lithium-ion Battery Materials Jilin Science & Technology Innovation Center for Wetland Restoration & Functional Development Jilin Science & Technology Innovation Center for Polyacid & Metallic Nano Materials Jilin Science & Technology Innovation Center for Key Supporting Technology of Network Education Jilin Science & Technology Innovation Center for Biotechnology of Economic Plants Jilin Science & Technology Innovation Center for Urban Wastewater Treatment & Water Quality Protection Jilin Science & Technology Innovation Center for Human Embryonic Stem Cells Bank Jilin “Internet+” Educational Technology Innovation Center – Wisdom Education Sub-center Jilin “Internet+” Educational Technology Innovation Center – Knowledge Media Technology Sub-center

<b>Engineering Laboratory of Jilin Province</b>	<p>Jilin Engineering Laboratory of Plant Industry  Jilin Engineering Laboratory of Drug Screening  Jilin Engineering Laboratory of Lithium-ion Battery  Jilin Engineering Laboratory of Web and Intelligence Education  Jilin Engineering Laboratory of Control and Recycle of Polluted Water  Jilin Engineering Laboratory of Glycoconjugates  Jilin Genetic Engineering Laboratory of Bird Ecology and Protection</p>
<b>Engineering Research Center of Jilin Province</b>	<p>Jilin Engineering Research Center for Traditional Chinese Medicine in Modern Times</p>
<b>Key Laboratory in Higher Educational Institutions in Jilin Province</b>	<p>Key Laboratory of Northeast China's Resources &amp; Environment Research in Higher Educational Institutions in Jilin Province  Key Laboratory of Education Software in Higher Educational Institutions in Jilin Province  Key Laboratory of Intelligent Information Processing in Higher Educational Institutions in Jilin Province  Key Laboratory of Cognition &amp; Brain Science in Higher Educational Institutions in Jilin Province  Key Laboratory of nanoparticle-based biosensor in Higher Educational Institutions in Jilin Province</p>
<b>Other Scientific Research Institutes in the Provincial level</b>	<p>Jilin Key Laboratory of Traditional Chinese Medicine &amp; Biological Engineering  Jilin Technical Service Center for Modern Biomedicine  Changchun Science &amp; Technology Innovation Center for Supporting Technology of Network Education</p>
